Multinational CIMIC Group

The Multinational CIMIC Group (MNCG) is a multinational military unit specialising in Civil-Military Cooperation (CIMIC). It supports NATO and multinational operations by facilitating interaction between military forces, civilian authorities, international organisations
and local communities.

Through coordination, dialogue and cooperation, the MNCG contributes to a better understanding of the civil environment, supporting mission effectiveness and strengthening
civil-military relations

MULTINATIONAL
CIMIC GROUP

EDUCATION OFFER

Education and Civil-Military Cooperation Programmes

25 YEARS
OF CIVIL-MILITARY COOPERATION

NATO CIMIC Staff Worker Course

NCSWC

Purpose and focus

Enables CIMIC personnel to conduct basic CIMIC and CMI staff activities across the full spectrum of military engagement, from a multinational CIMIC Unit up to and including Corps/Component Command level.
Focuses on the CIMIC contribution to staff processes, assessment, reporting and advice, preparing participants to operate confidently as NATO CIMIC staff members.

Admission requirements

- Target rank range: OR-5 to OF-4, or equivalent civilian personnel.
- English: STANAG 6001 SLP 3332 desired; SLP 2221 minimum.

Target audience

Personnel assigned to, or working as, staff members in CIMIC units or HQ staffs up to Corps/Component level.Civilians working in IOs, GOs or NGOs, as well as other military personnel with a vested interest in CIMIC and CMI.

Dates

25 January – 5 February 2027
2 week

CIMIC Tactical Operator Course

CTOC

Purpose and focus

Enables officers and non-commissioned officers who are, or will be, appointed as CIMIC operators to conduct tactical CIMIC activities across the full spectrum of military engagement in a modern, complex and evolving operational environment.
Focuses on NATO CIMIC doctrine, reporting and the management of CIMIC activities. It also fosters awareness and mutual understanding among organisations and individuals directly or indirectly involved in CIMIC and CMI.

Admission requirements

- Target rank range: OR-5 to OF-4, or equivalent civilian personnel.
- English: STANAG 6001 SLP 2222 desired; SLP 2221 minimum.

Target audience

Personnel directly involved in, or interested in, NATO CIMIC and CMI activities, including personnel assigned to or working as CIMIC operators in CIMIC units or HQ staffs.Open to civilians, particularly personnel working in IOs, GOs or NGOs with an interest in CIMIC and CMI.
